Graduates should be wanting to further their education, whether it be going back to school or just continuing their education at their work place. Also, they must be focused. Lastly, be passionate about what they do; that will get them further than any skill.	
Good work ethic, good communication skills, proper use of time.	
management professional public speaking	
professionalism, knowledge, hands on experience	
Basic knife skills, cooking methods and team work.	
Sanitation, basic knife skills, team work.	
N/A	
All the graduates have a good work ethic and are determined. They have the basic skills needed.	
more practical lab	
in the culinary dept. i would say just the over all cleaning techniques but otc has a great maintenance dept	
Time management.
