

## WELCOME TO ALLIED HEALTH

**Are YOU ready to apply?** All Allied Health programs select students through a competitive admissions process. Use the table below to put yourself in the best position to apply. (This table is a guide for applying. All courses in the specific program outline must be completed before a degree will be granted.) Updated 8/18/14

**All applicants are advised to attend an advising session (if available), on your program of interest, to be informed of the latest updates on that program's admission criteria.**
