

**TRANSFER AGREEMENT**  
**Between**  
**Logan University**  
**And**  
**Ozarks Technical Community College**

**For Transfer of Ozarks Technical Community College's**  
**Associate of Science Degree in Biology to**  
**Logan University's**  
**Bachelor of Science Degree in Life Sciences**  
**&**  
**Doctor of Chiropractic**

**STATEMENT OF PURPOSE:**

The purpose of this transfer agreement is to provide a basis for a cooperative relationship between Logan University and Ozarks Technical Community College (OTC) to benefit students who desire to complete a bachelor's degree & a doctorate degree. The intent is for OTC students completing the AS degree in Biology program to move seamlessly to the BS degree in Life Sciences & Doctor of Chiropractic Programs.

**TRANSFER AGREEMENT:**

OTC graduates from the appended Associate of Science degree program of study in Biology, from OTC, may transfer and apply a minimum of 60 credit hours from that completed degree to the requirements for Logan University's Bachelor of Science degree in Life Sciences.

*Addendum One: Ozarks Technical Community College Curriculum*

*Addendum Two: Course Requirements for Transfer Details*

The course requirements for this transfer agreement, including remaining courses required at the accepting college or university (Logan University) to fulfill the baccalaureate degree requirements & admissions requirements for the doctor of chiropractic program. A sample semester (trimester) sequence is attached.

*Addendum Three: Course Requirements from DC to complete the BS-LS*

The courses from the first year of the DC program that will be transferred for students to complete their BS-LS, A sample of the courses and credit hours is attached.

Additionally, under the terms of this agreement:

1. Ozarks Technical Community College students are eligible for admission with junior standing to Logan University provided:

- a. The student has submitted a complete application for admission to Logan University.
- b. A course grade of "C" or better must be earned to be accepted for transfer.
- c. The student has a 2.0 or higher grade point average on a 4 point scale.

2. As OTC graduates complete the credit hour requirements for the award of the BS degree in Life Sciences & Doctor of Chiropractic, they must meet the graduation requirements as approved by Logan University at the time of the student's admission to the appropriate degree program. ***These program requirements are subject to accreditation standards and may change.***

3. Written notice of intention to terminate, modify, or withdraw from this Articulation Agreement will be submitted by the academic head of either institution at least one academic semester prior to the proposed date of termination/withdrawal. Should a decision be made to modify or dissolve this agreement, students who are already attending Logan University at the time will be permitted to continue as long as their academic performance remains in good standing.

4. Recognizing that changes in curricula and course content are inevitable, each institution agrees to discuss with the other institution all curriculum changes affecting this agreement before the changes are implemented.

5. This agreement becomes effective when all signatures are affixed and remains in effect for two years from the date below. After two years, the agreement may be renewed with or without modification by mutual agreement of both Ozarks Technical Community College and Logan University.
