*2022-2023 meetings attended/scheduled

MINUTES

Action Item: Policy 2.02 – Curriculum Development & Revision

Dr. O’Connor presented revisions to the policy that will align it with the format of other current college policies.

Action: The policy was voted on and passed unanimously.

Strategic Initiative #1: *Improve experiences at every point in the institution to increase opportunities for students to attain their educational goals.*

Action Item: Policy 2.07 – Learning Modalities

The group discussed the verbiage of Policy 2.07 – Learning Modalities, specifically the paragraph describing face-to-face courses and the designation of what percentage should be presented during scheduled class times.

Action: The policy has been tabled while the description is revised. It will be sent to the council for approval via email.

Strategic Initiative #1: *Improve experiences at every point in the institution to increase opportunities for students to attain their educational goals.*

Action Item: Policy 2.10 – Requirements for Associate of Applied Science Degree

Dr. O'Connor presented updates to the policy that will align it with other similar policies.

Action: The policy was voted on and passed unanimously.

Action Item: Policy 2.11 – Program Advisory Committees

Dr. O'Connor reviewed revisions to the policy that will align it with the format of current college policies.

Action: The policy was voted on and passed unanimously.

Action Item: Policy 2.74 – Multiple Degrees

Changes to Policy 2.74 define the credit hour variance required in order to earn additional or multiple degrees or certificates.

Action: The policy was voted on and passed unanimously.

Student Learning Experience Taskforce Update

Dr. Coltharp shared that faculty member Jennifer Dunkel has joined the SLE TF steering committee. The taskforce gathered data from students last spring. During the fall semester, the taskforce will focus on collecting faculty input.
