STUDENT QUALIFICATIONS & INSTRUCTIONS

An official high school transcript must be on file with OTC before articulated credit can be awarded. Receipt of college credit is pending verification of course(s) taken and grades received by the student in the articulated course(s). Articulation agreements are not retroactive; an articulation agreement must have been established with the high school/area career center during the school year that the student was enrolled in the course(s) listed above. The student must apply for articulated credit within two years of high school graduation. The student applying for college credit must have received a "B" or higher in the articulated course and upon graduation from high school maintained an overall GPA of 2.0 or higher. Credits earned will be posted within a few days.

By signing below, I the student am aware of the policies outlined above.
