## WHAT WE DO

We work with faculty, staff, students and the community to encourage an inclusive learning environment where all students are valued. We determine eligibility for accommodations that will address physical and non-physical academic challenges.

## SCHEDULE AN APPOINTMENT

You are welcome to schedule a visit to chat about services before you graduate high school.

## WHEN TO APPLY

Once accepted to OTC, you will have access to your own myOTC page where you can apply for services with DSS.

## WHAT YOU'LL NEED

Students should submit at least one of the following:

- IEP/504 plan
- Full evaluation/diagnostic report
- Medical records/patient portal diagnostic summary
- Letter from a healthcare professional on letterhead, which confirms a diagnosis

## HOW THE PROCESS WORKS

After submitting your application, the DSS office will contact you to schedule an appointment with an Accessibility Coordinator to determine if an accommodation plan is appropriate.
