

Student Conduct and Safety

[Career Center Study Handbook](#)

Career Center students are expected to behave as responsible members of the college community and to be honest and ethical in their academic work. Students should demonstrate conduct which upholds the good name of the college and fellow students by full recognition of responsibilities under the law and the moral and social standards of the community, state and nation. When a student is a repeated disruption to the classroom, engages in unsafe behaviors and fails to respond after classroom management techniques have been exhausted, instructors should report issues of concern to the Career Center Assistant Director, Kelsey Brabo at 447-8122 or by calling the Career Center office at 447-8126.
