

# Academic Program Showcase

Each program will be given 5-7 **minutes** to showcase their area to an audience of their colleagues.

Applaud your strengths

- Did you just receive initial accreditation? Continued accreditation?
- Did your students place nationally at SkillsUSA?
- Was an article written about you in a national publication?
- Have you added a new option? Additional classes?

Address your challenges

- What is your plan to turn the challenges into strengths?

What do the next three (3) years look like?

*HINT: use your Annual Planning Report as a guide.*
