

Final Exam Schedule, Fall 2018

December 11-14 16-Week Seated courses

It is the policy of the Board of Trustees of Ozarks Technical Community College that all courses will include a comprehensive end-of-term assessment. Students should read the special notes below for classes which meet during non-standard times (e.g. eight-week, one-day only, online, etc.). If a student has a special hardship that would cause them to miss a final exam, the student should contact the instructor to make arrangements for re-scheduling. Make-up exams are at the discretion of the instructor and conducted by the instructor at a mutually agreeable time and location.

The following tables provide final examination times based on the beginning time of the course for 16-week lecture courses. Unless otherwise indicated by your instructor, the exam will be held in your regularly scheduled room at the time indicated below.
