

Ozarks Technical Community College Aviation Flight Technology Candidate Selection Form

Student Name _____ OTC ID _____

Phone: _____ Cell / Home _____ OTC email*: _____

Applying for semester: FALL / SPRING / SUMMER of year _____

Thank you for your interest in the Aviation Program at Ozarks Technical Community College (OTC). See the College's Admission Page for more information about how to apply to OTC. You have to **apply separately to both OTC and to the Aviation Program**. It is important to note that being accepted to OTC is not a guarantee of selection in the Aviation Program. Please make sure to have **completed the following prerequisites before you begin to apply to the Aviation program**. If these are not complete, then you will not be eligible for admission to the program.

Applied to Ozarks Technical Community College	Yes	No
Attended an Aviation Informational Session (Info Tour at Premier Flight Center is accepted)	Yes	No
FAFSA Complete	Yes	No
Medical Certificate	Yes	No

The Aviation Program has a two stage selection process: 1) Selection Forms and 2) an Interview. For this first step, you will need to apply to the Aviation Program by submitting the following to aviation@otc.edu.

- This completed form sent with a picture of your FAA Medical Certificate
- The name and email for a current or former teacher/instructor of either a Math, Science, Aviation, or technical skill course (e.g. mechanics or drafting) that you are either currently in or have completed. We will send a link to that person to fill out a form regarding your recommendation for the Program. They will NOT need to type a letter of recommendation.

Reference: Dr. / Mr. / Mrs. / Ms. _____
(First and Last name – Print Clearly)

email: _____ phone: _____
(Print Clearly)

What Course/Area/Topic did the reference teach you: _____

Comments: _____

Please See Page 2

NOTE: All application Forms (this form and reference form) must be turned in by deadline. Please make sure to provide enough time for your Reference person to complete the form for your application so that both are in by the deadline.

*Please note that we will use your OTC email for official communications. Please check this frequently.

The below items are not all required for entry into the program, but help add to your overall point score.

		Points Options			Points Received
1	Residency	Missouri Resident 5 pts			
2	Attended an Info Tour at Premier Flight Center	Attended 5 pts

Total Points Received					

Comments:

Once we review candidate forms and recommendations, and if you pass the first stage of this set of selections, we will contact you about setting up an interview – this will be the final step towards the aviation program admission.

You will be notified if you are selected into the Aviation Program. Please allow time to review candidates and send selection notices.

By signing below, you are affirming that you:

1. Have read and understood the above
2. Agree that the information provided is correct to the best of your ability
3. Understand that to be accepted to Ozarks Technical Community College does not mean that you are accepted to the Aviation Program
4. If any information is found to be falsified, this may result in your termination from the Aviation Program

Applicant Signature: _____

Date: _____

Submit this form to aviation@otc.edu though your OTC email and check back regularly for the next steps!
