EXCEPTIONS: Contact Allied Health Admissions (alliedhealthadmissions@otc.edu) if any of these apply:

- ✓ If you have taken MTH 110 prior to the FA 18 semester.
- ✓ If a passing grade is not achieved after two attempts in any program pre-admission course(s), an applicant may not be considered for the program.

For further career guidance and to increase your knowledge of health professions, you are encouraged to participate in any or all of the following:

- Schedule appointment with an Allied Health Advisor by emailing alliedhealth@otc.edu
- Attend an Allied Health Informational Session:
<https://academics.otc.edu/alliedhealth/informational-sessions/>
- Complete one or more of these suggested General Education courses:
BCS 102 – Intro to Bioclinical Science (*3 credit hour – seated*)
HSC 110 - Introduction to Health Professions (*1 credit hour-online*)
HSC 120 – Medical Terminology (*3 credit hours – online*)

SELECTION PROCESS:

- **Application Deadline: June 15**
- As part of the selection process, points are given for grades made in the completed general education classes. See the “[Candidate Selection Form](#)” for more information.
- OTC General Education courses will be applied first to the Dental Assisting AAS Degree “Elective” course requirements. All other transfer courses will be reviewed for applicability, to meet the “Elective” degree requirements, on an individual applicant request.
- OTC Course Repeat Policy may be found [here](#).

ADDITIONAL INFORMATION:

- Review the “[Application Checklist](#)” to complete the application process.
- The courses within bold border represent the selective admission portion of the program and represent a full time, daytime commitment.
- This block diagram is provided to aid in advising students and tracking course completion.
- OTC reserves the right to modify course titles, sequences and content in accordance with college procedures.
