

Paramedic Entrance Exam

Students can take the entrance exam any time prior to the application deadline. The student's application will not be reviewed until they have completed the entrance exam. Students not meeting the cut score will not be accepted into the Paramedicine program. You may retake the exam.

How to create a Fisdap account with Paramedic Entrance Assessment and take it:

1. Go to <https://www.fisdap.net>.
2. Click the "Create an Account" button. (Save your login information. You will need it to take the test.)
3. Enter the product code **OTC145-ZXGR** into the field and follow the prompts to purchase an account.
(Paramedic Entrance Exam is \$25 paid to Fisdap when account is created)

(Steps 4 – 8 will be completed at either Springfield or Table Rock. **Email:** paramedic@otc.edu to schedule.)

4. Login to your Fisdap account.
5. From the **MyFisdap** page, click **Take a Test** link in the Quick Links menu.
6. Click on the **Paramedic Entrance Assessment** you are scheduled to take and then click on the **Entrance Exam** link.
7. Click **Attempt quiz** now and then you will be prompted to confirm that you want to start this test attempt. Click **Start Attempt**.
8. Raise your hand and a proctor will input the password, you may begin answering the multiple choice questions.
9. In order to complete the test, you must click the **Submit all and finish** button located at the bottom this page. By clicking **Submit all and finish**, you are indicating that you have finished the entire exam and will NOT be allowed to attempt it again.

Note: If you do not click Submit all and finish before you leave, your scores will not be calculated, but your answers WILL be saved.

Your results will be reported to the EMS program director. Your scores will be emailed to the email you used to sign up for the exam. Applicants who do not meet the cut score may retake the exam 2 weeks after the first attempt.
