OTC Allied Health program applicants and admitted students give permission to the OTC Student Affairs Division, specifically the Office of the Dean of Students, to share any college disciplinary records or other relevant information on file with the Allied Health Department. Relevant information may include, but is not limited to:

1. History of conduct contradictory to the mission and goals of OTC or which violate OTC’s Standards of Student Conduct, Policies & Procedures 5.15, located at www.otc.edu
2. History of conduct contrary to generally accepted codes of conduct and behavioral expectations of those seeking a career in Allied Health.*

The content of these records may serve as grounds for non-admission, program suspension or dismissal. The student will be notified of any information shared between the Student Affairs Division and the Allied Health Department.

Note: Students’ OTC Counseling Services records are confidential and will not be shared with the OTC Allied Health Department.

* Generally accepted codes of conduct and behavioral expectations, for Allied Health careers, can be obtained by contacting the professional organization that represents the Allied Health profession that you are interested in pursuing.

By signing below, I acknowledge that I have read and agree to the above statement.
