57 total credit hours for ASN Program + 7 credits awarded for LPN education = 64 total credit hours

- When considering the application deadline, the pre-admission courses must be completed by:
  - End of spring semester if applying to the June (summer) start
    - Application deadline: February 15
  - End of summer semester if applying to the August (fall) start
    - Application deadline: April 15
  - End of summer semester if applying to the October (fall B block) start
    - Application deadline: June 15
  - End of fall semester if applying to the January (spring) start
    - Application deadline: August 15

- Mid-term grades are used in the admission application process

- General education courses must be completed before finishing the ASN program. It is recommended to have completed prior to applying to the ASN program for maximum possible admission points.

- A grade of “C” or higher is required in all preadmission and general education requirements.

- Review the “Admission Scoring Guide” for the scoring rubric located on the ASN Application Process [here](#).

*BCS 132 helps to build a foundation needed in all other BCS courses. One of the major components of this course is research as well as many concepts taught in BCS 165 (Human Anatomy).

*ENG 100 Composition I with support or ENG 102 Composition II may be taken as an alternative.
For further career guidance and to increase your knowledge of health professions, you are encouraged to participate in any or all of the following:

- Schedule appointment with an Allied Health Advisor by emailing alliedhealth@otc.edu
- Attend an Allied Health Informational Session: [https://academics.otc.edu/alliedhealth/informational-sessions/](https://academics.otc.edu/alliedhealth/informational-sessions/)
- Complete one or more of these suggested General Education courses:
  - BCS 102 – Intro to Bioclinical Science (*3 credit hour – seated*)
  - HSC 110 - Introduction to Health Professions (*1 credit hour-online*)
  - HSC 120 – Medical Terminology (*3 credit hours – online*)

**EXCEPTIONS:** Contact Allied Health Admissions ([alliedhealthadmissions@otc.edu](mailto:alliedhealthadmissions@otc.edu)) if any of these apply:

- If you have completed BCS 120, BCS 145, BCS 146, HST 120, or HST 130 prior to the FA 18 semester.
- If a passing grade is not achieved after two attempts in any program pre-admission course(s), an applicant may not be considered for the program.
- If a 6 hour anatomy & physiology course has been taken at an accredited institution other than OTC and it has been taken within the last 5 years (based on final review of official transcript and in accordance with specific transfer credit), BCS 205 would be required to complete the 8 credit hour A&P progression.

The ASN courses within the bolded border represent the courses that will be taken following acceptance into the program through the selective admission application process.

```
| SEMESTER 1 - FIRST 8 WEEKS | Transition to Professional Nursing
|---------------------------| ASN 200
|                           | 2 |
