

OZARKS TECHNICAL COMMUNITY COLLEGE

Associate of Science in Nursing - Direct Entry

Student Admission Scoring Guide

Updated 03/01/22

Admission/Acceptance is based on a competitive scoring rubric. The rubric contains the following:

- Grade for BCS 165/145
- Grade for BCS 205/146
- Grade for ENG 101
- Grade for CHM 101 or higher
- Grade for MTH 128 or higher
 - This is not a complete list of prerequisite courses. Please refer to the suggested course sequence for a comprehensive list.
 - The higher the grade in course requirements the more points you receive
 - Students must have a grade of “C” or higher in all prerequisite courses to be considered
 - BCS 145 and/or BCS 146 will be accepted (course substitutions will not be processed until the student has been accepted and started the program)
- HESI Admission Assessment Exam
 - Must have a minimum score of 75% to be considered for admission.
- Cumulative Grade Point
 - Cumulative GPA, including courses from accredited institutions, transferred to OTC are considered in the scoring process
 - Points start at 2.5 GPA. Points are not awarded for cumulative grade point average below 2.5.
- Completion of general education courses with a grade of “C” or higher by the application deadline.

Students need to be advised to take the course requirements first. If they need to take additional courses to become full-time students, the courses below are recommended.

- HSC 120 Medical Terminology
- BCS 210 Pathophysiology
- ENG 102 Composition II
- COM 105 Public Speaking
