

OZARKS TECHNICAL COMMUNITY COLLEGE

Dental Hygiene Application Checklist Updated 2/5/24

****NEW Online Application Process and Testing Update**

APPLICATION DEADLINE:

- **USE OUR NEW ONLINE APPLICATION PORTAL TO APPLY:** apply.otc.edu
- May 31 - This cohort begins in the fall semester (August)
- **Location: OTC Springfield Campus, 1001 E. Chestnut Exp., Springfield, MO**

The Dental Hygiene Program is a selective admission program and admission is determined by a points-based system. Points are awarded on the grades made in the preadmission classes, completion of clinical observations hours or CDA experience, Bennett, Wonderlic and Pegboard test scores, cumulative GPA on all courses completed, and residency status. For additional information, visit the Candidate Selection Form [here](#) on the DHY Admission Information webpage.

An incomplete file will not be considered – Complete the following by the application deadline

- Complete OTC admissions process.
- *Complete the preadmission required courses.
- Request to have all official transcripts mailed to OTC. If classes were completed at OTC, a transcript is not required.
- All preadmission requirements must be completed by the application deadline (May 31).
- **Complete testing by the application deadline (May 31). Registration is required through Testing Services! Click [here](#) for registration and information.
- Complete the **ONLINE APPLICATION PROCESS, apply.otc.edu, by the application deadline (May 31)**. Incomplete files will not be considered.
- If applicant is a current CDA with at least 3 years' experience, upload a completed Work Experience Statement [form](#) **during the online application process** (by the application deadline, May 31). CDA must have been active throughout length of employment.
- Verification of the CDA certification for 3 years must be included with the Work Experience Statement.
- If applicant is **not** a current CDA, complete 24 hours of clinical observation/job shadowing **by the application deadline (May 31)**. **During the online application process, provide the name and email address of the dental clinic/office where observation/shadowing was completed in order to document the requirement of 24 hours.**
- The TOEFL is required by student if English is not student's primary language. Additional information is below. Results are due by the application deadline.

***GRADES/GPA**

- A GPA less than 2.5, will not be given points as outlined on the Candidate Selection form.
- Complete preadmission courses with a grade of "C" or higher for points as outlined in the Candidate Selection form.
- The cumulative GPA score includes all courses completed at accredited institutions transferred to OTC.

****TESTING - Test early – appointments fill up quickly at Testing Services.**

- **Student may take the Bennett, Wonderlic, and Peg Board tests once in an application cycle. (June 1 - May 31).**
- Schedule and complete through Testing Services at OTC.

- To help you prepare for testing, the OTC Library has the following materials:
 - Ebook [Secrets of the Wonderlic Basic Skills Test Study Guide](#)
 - In print: [Secrets of the Wonderlic Basic Skills Test study guide](#), [Secrets of the Wonderlic scholastic level exam and Mechanical Aptitude Test : Secrets Study Guide](#)
- Student will receive scores upon completion of tests and must upload results during the online application process, by the application deadline.
- Upload test results as instructed by the application portal and review carefully for accuracy before submitting.
- Test results expire 2 years from date of testing.
- Tests taken for the Dental Assisting application cycle may be used if they haven't expired.

ENGLISH PROFICIENCY REQUIREMENT

Students whose primary language is not English must document their English language proficiency. This requires:

- Minimum **TOEFL iBT** passing score of 81, with a minimum speaking score of 24. **Program will waive TOEFL requirement if the student has already obtained a bachelor's degree from a US regionally accredited University**
- Student must satisfy this requirement by submitting a current TOEFL iBT score (Test of English as a Foreign Language) **during the online application process by the application deadline.**
- Testing is completed through the [TOEFL](#) website.
- The TOEFL report scores are valid for 2 years from the test date.
- This is separate from the test taken to be admitted to OTC.

NOTIFICATION OF ACCEPTANCE:

- Based upon the program's admission scoring system, the top 20 applicants are offered a position in the program and will receive information on the necessary steps to complete the program admission.
- In the event of a tie in final points, the student's cumulative GPA will be used in the selection process.
- Students will be notified of acceptance or non-acceptance into the program via the online application portal.
- The accepted students will receive an acceptance packet task list through their OTC email account to complete the admission process.

REAPPLICATION:

- Applicants and alternates not selected for admission can reapply online for the next deadline.
- Incomplete files will not be considered.

Contact the Health Sciences office with any questions at (417) 447-8803 or healthsciences@otc.edu.

Dental Hygiene students must be able to perform essential functions. Technical Acceptance Standards refer to nonacademic admissions criteria essential to participate in the dental programs. Click here for the standards: http://academics.otc.edu/media/uploads/sites/8/2015/11/DAS_TECHNICAL_ACCEPTANCESTANDARDSPDF.pdf

OTC cannot guarantee that students classified under the Deferred Action for Childhood Arrivals (DACA) program will receive approval to take the licensure exam after program completion. Please contact the state or national agency that administers the professional licensure exam to inquire about licensure exam requirements.

Background Check – Students with a felony or a significant criminal history may not be able to participate in clinical experiences at some of our sites and may not be able to apply for a license to practice. Contact the Health Sciences Office for additional information (healthsciences@otc.edu).
