Present the activities you developed to meet Kia's IEP goals from the previous assignment to your team of classmates. Share the pictures or the actual activities. Then provide two specific things you would do to address each of those four areas from the previous assignment, so you are telling me 8 things total you would do to address Kia's needs and the needs of any other child who may need a little extra.		

	<p>Explain why you chose the activity, how it relates to the goal, and how you will support Kia in the classroom.</p> <p>Explain and support decisions for her on the activities, if you used any technology, and why. Is the technology effective?</p> <p>Share at least 2 resources with your classmates/peers that have informed your teaching with Kia and Kia's family.</p> <p>What professional resources did you draw from as a teacher intent on improving success for Kia?</p> <p>Share your understanding of why collaboration is important in the field of special education.</p> <p>Use strong and thorough communication skills to show how you will effectively support the child and demonstrate to other team members how you value Kia by displaying sensitivity in presenting the information and your enthusiasm for her success. 	<p>ECD-PP-270: Self-Study Project in ECD-270 - For this portion of the Self Study Project, do the following:</p> <ol style="list-style-type: none"> 1. Write a short, professional statement (2-4 sentences) that summarizes your classroom management philosophy. Incorporate new learning, research, and skills from Unit 1 and other ECD program courses. See prompts in "resource" section below. 2. List your current role(s) in the early childhood field. For each role, how will you use and/or share your ECD classroom management strategies and beliefs? Explain. <p>Type your response in a Word document, using the following APA format: double-spaced, 1-inch margins, 12-pt font.</p> <p>Example -</p> <p>Role: I am a college instructor. Ways I currently use/share or plan to use/share strategies & beliefs: I daily use specific strategies to help students feel safe and part of the class community. I educate students about varied management strategies. I research quality practices, and teach students ways to apply their management skills.</p> <p>Role: I am a mom of 2 children. Ways I currently use/share or plan to use/share strategies & beliefs: _____</p> <p>Resources</p> <p>TIPS: Developing a *philosophy* is often so intimidating, we avoid it. No fear! A good starting point is to reflect on what you think is important in an early childhood classroom. Consider teachers you've known & enjoyed. What is it about those teachers that you value? Write a few sentences. You may want to use one of the prompts below to start your statement:</p> <p>"As a teacher, I will..."</p> <p>"I want my students to feel..."</p> <p>"I believe students..."</p> <p>Target/Benchmark: 70.00% Actual Result: 100.00% Difference Score: +30.00%</p>
